**DO NOT USE FORM FOR FUNERAL HONORS**

Background: The Niagara Falls Honor Guard supports military funeral honors and color guard support for events throughout most of Western New York. You can make military funeral honors requests by phoning (609) 562-6141 and speak to a Mortuary Affairs representative. To make requests for color guard support, please complete this form and e-mail/fax to the above email/fax number. Requesters should be advised that we prioritize events using the following criteria: (1) all military funeral honors, (2) official military functions (prioritized by date of request), (3) all other requests for support (prioritized by date of request). Our decision to cancel support for events is based on manpower and workload. In those rare circumstances where we simply cannot support, we will make every effort to give you as much advanced notice as possible. E-Mail Instructions: (1) Open this form and fill in all blocks as appropriate. (2) Save the form as you would any other document and create a unique name (ex: Warner Retirement Ceremony, Buffalo Bills Football Game, and etc.). (3) Attach the new document to an email message to [914arw.honorguard@us.af.mil](mailto:914arw.honorguard@us.af.mil). (4) Use the subject line "Request for Honor Guard Support" to flag your message. You will receive an e-mail response or phone call once your request has been opened. Requesters are advised to ensure accurate and detailed information on this form, as our support for your event will be based on this information disclosed herein. For events outside of the Niagara Falls ARS, detailed event information and addresses are critical along with an accurate description of the event location and desired ceremony. Thank you for your request and we look forward to supporting your organization.
